

EMCWomen - Reaching, Connecting and Equipping Women for Christ

A ministry of the Evangelical Missionary Church of Canada

"All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness, so that the people of God may be thoroughly equipped for every good work." 2 Tim. 3:16 & 17

One of the mandates of **EMCWomen** is to equip women for God's ministry. We are now gathering our team to travel to Haiti for our final Teacher Training Module. We have seen about 45 women complete the two modules, with a total of about 100 women able to attend at least one module. We will complete the course next fall. We are providing systematic teaching of God's Word along with teacher training skills and resources.

There are several areas of ministry in which we could use team members. We would like to take members who will help with the delivery of the training course, but there are also opportunities to help with the maintenance of the La Jeune training centre. We find that it is helpful to have those with maintenance skills join our team. Both men and women are welcome. We need people with the following types of skills:

- Photographer
- Bookkeeper
- Journalist
- Infant care workers
- Painters
- Cleaners
- Carpenters
- Plumbers
