

January 19-21, 2018

You are invited to come away for a weekend designed for restoration and renewal while you breathe in fresh mountain air! You will be encouraged through thoughtful teaching, worship and laughter together...and, of course, some free time to yourselves as a couple!

There is strength found in being with fellow sojourning couples in ministry and by spending time in Gods beautiful creation. It is our desire that you will feel blessed and your soul well cared for as you set aside time for this weekend.

Your Retreat Committee:

Mike & Darlene Morgan (Zion, Didsbury, AB)

Kent & Jodi Janz (McDougal Chapel, Sundre, AB)

Bruce & Kathy Archer (Zion, Didsbury, AB)

Murray & Lorrie Swalm (Bonavista, Calgary, AB)

Ministry Insights

Dale Wolery is the founder and Executive Director of the Clergy Recovery Network, a nondenominational resource for Ministry Professionals in crisis. Dale focuses his ministry on mentoring, consulting, referral and writing. He has served many years as pastor, first in Tennessee and then in the Los Angeles area. It was while in the pastorate that Dale experienced Burn Out and through this experience developed this ministry. Dale has a vulnerable teaching style; a warm blend of honesty, real life insights and Scripture.

Lee joins Dale in this adventure. She is passionate and inquisitive about life. She works for a fiber optic cable company as an Engineer and enjoys training and showing quarter horses. Dale and Lee love working with people, finding the joy and humor in living.
