Monday, July 30, 2018

Bible Conference Grounds 240 Scott St. - Stayner

**David Oppertshauser**, has always been involved in ministry in one form or another and in July of 2014 retired after completing twelve years in pastoral ministry at Sauble Christian Fellowship. The pathway God has led them on has featured living in the US, Saudi Arabia, Russia, England, Haiti and Canada.

## Laughter & Music with Bob Heywood

**Bob** is well known not only for his itinerant ministry and music across southwestern Ontario but also for his delightful sense of humour.

Southern Ontario is home to one of Canada's best loved male quartets. **The Torchmen**, are known for their strong, four-part harmony, country flavoured melodies, and gospel lyrics; these men have sung their way into the hearts of many.

**The Watchmen**, for the past 50 years, have been in continuous music ministry. They have many awards, over the years, from the Canadian Music

Association, but you will love them for their heartfelt interpretation of great songs with powerful messages.
