

CALVARY PASTORAL SEARCH

Calvary Evangelical Missionary Church, in Owen Sound, is looking to call a Lead pastor, on a permanent, full-time basis. Presently, Calvary is healthy and stable and our leadership is effectively caring for the church family and administrative details, as we search for our next Pastor. There is an incredible sense of unity within our Elders and Board Members and Calvary is known as a welcoming and safe place. Our church family is patiently waiting on the Lord's direction as we recover from the tragic passing of our most recent pastor, in August 2022.

Our congregation is seeking a servant-leader to shepherd our church family. We praise God for our previous pastors and His continued blessing as we walk through our current situation, trusting Him for what only He can and will provide.

At Calvary EMC, our vision is, *"To be a light in the community, displaying living proof of a loving God."*
