At Centre Street Church we want to make an impact on lives, communities and the world by introducing people to Jesus and helping them become fully devoted followers of Christ. That's the purpose behind everything we do. We are passionate about being a disciple-making church and we desire to see our people living on mission for Christ in community. At our core, we are a network of missional community groups who gather each week for worship in five locations across the greater Calgary area. This unifies us as "One Church in Many Locations." Do you want to join us?

Our **Children's Ministries Core Team** is looking for a part-time Coordinator to give leadership to our curriculum development and online ministry to children (32-hours per week).

Are you:

- ✓ A fully-devoted disciple of Jesus who models a passion for God and a love for all people?
- ✓ A visionary leader that can discover, develop, deploy and disciple volunteers in their area of giftedness?
- ✓ Passionate about discipling children in their faith through creative and engaging learning experiences?
- ✓ Excited to partner with parents in intentionally discipling their children through relationships, spiritual conversations, and creating fun and exciting learning experiences where they can be introduced to Jesus and grow in their faith?
- ✓ Creative and have experience in developing age-appropriate, engaging, fun, and meaningful in-person and online curriculum and content?
- ✓ An engaging storyteller who enjoys in-person and online experiences for children to learn and grow in their faith?
- ✓ A person with excellent teaching, relational, shepherding, communication, pastoral, and task-management skills with an ability to handle crisis?
- ✓ A positive, flexible and collaborative team player with the ability to work with diversity and change on an ongoing basis?
- ✓ A passionate leader that energizes others through your enthusiasm, optimism, and attitude?
- ✓ A person who can easily relationally transition between a variety of age groups, their parents/guardians, and volunteers?

If you answered yes to these questions and love the idea of providing leadership to creating engaging in-person/online content and actively leading children in online learning experiences, then our **Curriculum Development and Online Ministry Coordinator** position may be for you!
