At Centre Street Church we want to make an impact on lives, communities and the world by introducing people to Jesus and helping them become fully devoted followers of Christ. That's the purpose behind everything we do. We are passionate about being a disciple-making church and we desire to see our people living on mission for Christ in community. At our core, we are a network of missional community groups who gather each week for worship in five locations across the greater Calgary area. This unifies us as "One Church in Many Locations." Do you want to join us?

Our **Children's Ministries Core Team** is looking for a part-time Coordinator to give leadership over the development, creation and execution of special events, parent equipping days, large group teaching materials, and staging weekend learning environments at all campuses (20-hours per week).

Are you:

- ✓ A fully-devoted disciple of Jesus who models a passion for God and a love for all people?
- ✓ A visionary leader that can discover, develop, deploy and disciple volunteers in their area of giftedness?
- ✓ Desiring to partner with parents as they disciple their children through creative and engaging learning experiences as well as milestone events (child dedications, salvations, baptism)?
- ✓ Passionate about discipling children in their faith through creative and engaging learning experiences?
- ✓ Excited to partner with a large ministry team as you plan, develop, and execute small and large outreach events for families to invite their unchurched friends to and take their first steps in getting connected to CSC and start a relationship with Jesus?
- ✓ A creative and organized person that can provide leadership to the development, creation, and execution of small and large learning experiences (creating small and large group stage sets for Christmas, Easter, CSCamps, and weekend ministry teaching themes)?
- ✓ An engaging and passionate storyteller who enjoys seeing the Bible come to life in fun and creative ways?
- ✓ A person with excellent teaching, relational, shepherding, communication, and task-management skills with an ability to handle crisis?
- ✓ A positive, flexible and collaborative team player with the ability to work with diversity and change on an ongoing basis?
- ✓ A passionate leader that energizes others through your enthusiasm, optimism, and attitude?
- ✓ A person who can easily relationally transition between a variety of age groups, their parents/guardians, and volunteers?

If you answered yes to these questions and love the idea of using your creative and organizational skills to create unique experiences for children and their families, then our **Programming and Ministry Coordinator** position may be for you!
