World Partners Strategic Direction

Mission Vision Core Values

Building on our long history and our strengths, World Partners engages the EMCC in mission participation (learning and engagement, God's call to participate, disciple-making focus), provides support for people who are sensing God's nudging to serve internationally (on-ramp), and strengthens our support for Global work of various kinds, together with our churches (strategic presence, integral development and compassionate action).

Our Mission

what we do + why we do it

Learning with, connecting, and mobilizing people to adaptively participate in Jesus' mission everywhere.

Learn. Connect. Mobilize.

**Evangelical Missionary
Church of Canada**
Following Jesus Together

World Partners is the global mission arm of the EMCC.

Our Vision

where we are going

World Partners engages the church to participate in Jesus' mission with commitment to learning, strategic global presence, integral development and compassionate action, resulting in individual and social transformation.

Our Values

what we live out

These values are core to our choices and our behaviours in the world:

Commission-Driven

Living out the way of Jesus, by listening, trusting and obeying the Spirit of Jesus, and practising sacrificial love.

Relationship-First

Fostering mutuality with Canadians and our Global Partners around the world.

Cooperative

Collaborating with like-minded partners in Canada and internationally.

Integrated

Engaging churches and individuals in Jesus' mission, offering experiences that integrate development with disciple-making.

Culturally Aware

Increasing the ability of all partners to serve each other with cultural awareness and sensitivity.

Strategic Direction

We are World Partners.

This integral mission portfolio describes how we assist individuals and churches in their Global Mission engagement.

We're here to help people participate in Jesus' mission in the world.

Engaging Individuals and Churches

We work with individuals and churches in pursuing how God is nudging us all to participate in His Mission in the world.

Church Engagement

We work with churches, providing guidance and resources leading to future mobilization.

On-Ramp

Beginning in 2020, we will offer immersion learning experiences that are rooted in “being disciplined” by Global Partners and Workers, and in processes of discernment for increased effectiveness for short-term and longer-term Global workers.

Partner, Agency and Church Together

We help churches establish and frame partnerships that promote mutuality in mission, best-practice, and integrate development.

Following Jesus Together

We are committed, with expectation and hope, to share the good news of Jesus' salvation and new life throughout the world, in word and deed. EMCC participates in the Mission of Jesus with the Global Church, that those from every people group may follow Him too.

Disciple-Making Focus

We build all of our learning and preparation of workers upon the foundational call to be and make disciples, living the way of Jesus.

Theology of Integral Mission

We deliver resources on Biblical foundations for personal and congregational reflection, prayer and obedience, inviting all to participate in Jesus' mission.

Creative Prayer Movements

We communicate prayer points, and encourage grass-roots prayer movements.

Strategic Global Presence

We celebrate the multicultural expression of the global church, and join God's work in each culture humbly and mutually, and take joy in walking the road together.

Global Workers and Global Partners

We resource, invest in, and care for our current workers, and send future Global workers where it is agreed- upon by Global Partners to help advance Jesus' mission.

Door to Mission Agencies

We collaborate with like-minded partnering Mission agencies, and serve as a front door for people exploring opportunities that provide right-fit, and mutuality.

Global Professionals

Beginning in 2020, we will offer preparation and alongside support for marketplace workers and professionals in their work abroad.

Diaspora Link

We encourage our congregations to discover and build bridges with diaspora cultural groups in their communities, and learn to share reciprocally to support how Jesus' mission is advancing among all people.

Integral Development

We pursue Development initiatives where we have a supportive role to our Global Partners in recognizing and sharing the resources God provides them to address needs in their own communities. This is an integral part of extending the blessing of Jesus' Kingdom shared with all peoples.

Resource Sharing

We cultivate an Integral Development mindset, educating the Church on the resources God has provided everyone everywhere, and how we share in a way that upholds God's all-sufficiency.

Capacity-Building

We listen to and assist Global Partners in their goals, as defined by them, in developing disciple-making focus, effectiveness and health. This informs our on-ramp, global workers, and partnerships.

Creation Care

We participate in the work of caring for creation as followers of Jesus, teaching the Biblical invitation to care for all creation, and uphold the value of simple living as stewards of God's resources, informing our on-ramp, global workers, and partnerships.

Compassionate Action

We respond to people made vulnerable by circumstances of injustice, poverty, and disaster, with the love and compassion of Jesus.

Humanitarian Response

We monitor, inform and collaboratively respond to emergencies.

Refugee Sponsorship

We invite the church to learn, and to explore ways of responding to the needs of displaced people seeking refuge, and to sponsor refugees, and help New Canadians to integrate into Canadian life, and experience the love of Jesus through community.

Restoring Justice

We resource the churches to pray and respond to injustices committed against human beings, and engage with local and international responses.
